ATTACHMENTS: Certification COR423801, [COR400000 General Permit](#)

The Water Quality Control Division (the Division) has reviewed the application submitted for the Aristocrat Ranchettes Water Project facility and determined that it qualifies for coverage under the CDPS General Permit for Stormwater Discharges Associated with Construction Activity (COR400000). Enclosed please find a copy of the permit certification, which was issued in accordance with the Colorado Water Quality Control Act.

FEE INFORMATION: 14.2 acres

An application fee of \$175 (50% of the annual fee) will be assessed for all new applications. Beginning July 1, 2019 an annual fee of \$350 [category 7, subcat - Stormwater Construction 1-30 acres disturbed per CRS 25-8-502] will be assessed and invoiced every July for as long as the permit certification is in effect.

It is the responsibility of the permittee to submit a termination application when the permit certification is no longer needed. Fees are assessed and invoiced for every permit certification that is active July 1 of the fiscal year. Permit certifications for which complete termination applications are received by June 30 of the current fiscal year will not be invoiced for the new fiscal year.

CERTIFICATION RECORDS INFORMATION:

The following information is what the Division records show for this certification.

For any changes to Contacts - Owner, Operator, Facility, or Billing - a "Notice of Change of Contacts form" must be managed through the Division's new platform called the Colorado Environmental Online Services (CEOS). The Notice of Change of Contacts form must be electronically signed by both the owner and the operator.
